E.K. Tourgee
Mayville N.Y.

Yours to hand I went to 1736 13th St. N.W. and was told that Judge Tourgee was not there - nor expected. This morning I went to the Court Room and to the Office of Mr Phillips and was informed that Judge left last night.

A party of our citizens intended calling on the Judge but we could not locate him.

May 11 - is the date we want him to come.

Which route will he come? The B&O or Pensylvania?

Please send me $3.00 worth of lithographs by return post.

We want to hear the Judge and we want our people - as many as possible to hear him.

We are thinking of asking either Justice Harlan, Senator Hoar, or Ex Senator Blair to preside at the meeting. If the Judge has a preference as between these gentlemen we will respect that preference. Let us know soon,

Very Cordially &c
