

CHAUTAUQUA COUNTY NY HISTORICAL SOCIETY 2013

Monday morning
I have just mastered
my lessons and it is now
afternoon. I am a student
I don't believe you can get
any more letters out of me
now. You must make
these pieces serve. I have not
written home nor to Cecilia
yet but intend to do it this
week. I have had almost no
letters since from you. I will try
and make up for my poor letters
next week. I wanted to have
sent you a long one on today
but could not. All my time
is taken up when not at
study by working for the Society.
I have become reconciled with
R.V. and am at work for them.
I would not go to Gygisium

I would not go to Gygisium

till evening but I must
go and attend an initiation
tonight at the P. V. Hall.
So Good bye
Albin

You know I must not
neglect the Gymnasium.
I have not attended to that
bracelet but will try and do
it this week —

Excuse my patch
