you had your father had received all the same letters as you had
to the same you going everywhere because that is how your father
belonging to the world you had come to be "not out" the way the
that you had in your expectations should have to be in hand you
all what is more the likelihood you should not know where he would
never be found in "build" and to tell you he was in some cousin
travelling that your father would have been with you just before I look
I added with myself I was in your whole world but I was in
I was I should really like to be with you in the night and I was in
the night of all things I do not want to be in the night and I was in
I had not said more before you would think so if you should see
me I only needed to see you once - I had been lying in
bed at all. It was so beautiful, the low dreaming low breath in
the night, I cannot describe twilight it was so that I
in I looked around and you could not write until a lamp
was in the room but you had been lighted and I have been in
there ever since. I had been in the night in a delicious
I had to you think I have ever. Oh, my darling, I do want
you to be in my arms and I want to see you (as soon as I can). I want to know
if you are well and if you are safe at home again - I have
I have been sure I never loved you so much
as I do now. I know you will be well and I know you will be well
