note last night and can
reply to it that I am much
better than when I was
by. I cannot use much of it
I sat up for an hour or
so - but I could not
to low protectionism lower
work. I had my back on
the street & that you know
it was almost as if I
falling down those stairs
in London & has troubled
me ever since. This has
injuries has never affected
my opinion so far and that

I am told I shall not
be able to walk without
a staff in two years - if
ever I hope to be able
to see you during the
present week but may not
be able to ride so far. Never
doubt I am the horrors about me.
You said you did not un-
derstand my note. I do
not wonder. I wanted to
send you a word to relieve
your anxiety and to say
that expecting to have your
company this week, I am
glad that you will be able to
do it & get it in the office
in time as I told him I
guessed you would not
but it would do you
no harm to get it done
then.

I expected ^{Jane} ~~Jane~~
here yesterday but he
did not come & I suppose
will not very soon. I
he would only come if
would keep him at home
don't go for me with me.
If you see
him, I give him my
love & say I am
also to all our friends
yours truly
J. M. W.
