Emma;

I think you may dismiss  
all your fears. I cannot come down  
there now, but I can walk. If you  
will come home I will visit you after  
business keeps me in the country now.  
If you choose you can put Lieut. before  
my name hereafter. I am recruiting a  
company for the 165<sup>th</sup> Regt U.S. M.

Truly
