Friend Emma

I may perhaps  
have written you last, but  
if so I feel it a privilege  
to write again. And if it  
is not acceptable please  
inform me in your  
next. You may be sur-  
prised, when I tell you  
I have volunteered my  
services to "Auntie Sam" in  
the 30<sup>th</sup> Wis Reg. The time  
has come for action and  
I feel that I do my duty.
