

Kingsville Dec^r 14/63

Dear Emma

Your was duly
received I have had no
letter later than Nov 21
Albion had not resigned
then. I thought to get
news last night or night
before but did not. If he
returns at once he will
most likely not leave.

There until Mr M Wright
gets back he left the 7th

So tell the truth I hardly
look for him at all or
not at least if he ~~is~~
is able to do duty in
some other position if
he does come home some
days may elapse before

he leaves as his resignation. I will send you part
will have to the various
processes of Red Luce before
it will be endorsed and
accepted and his affairs
settled and ere that affairs
may change he was better
when he wrote and if he
continues to gain I shall
about as soon look for
him in New Orleans as
in Kingsville. If I get any
thing from there I will let
you know herewith. I shall
not write there until I hear
of presents unless I write to
St. M. M. M. M.

Quarter Master
105. O. O. O.

Abner sent me \$300.00 through
the State Tax Agent I shall
draw it as soon as I can
from the County Treasury

of it if A does not come
home if he does he can
manage that part I cannot
draw until the Agent gives
notice to the State Treasury
A told me in his last
that if he came here
he would Telegraph from
Kingsville

Yours Fraternally
