Erie, Pa., Aug 18<sup>th</sup> 1864

Dear Wife - I had a letter  
from Nora this morning. She  
is coming down on Friday even-  
ing's train - I think you  
had better come down with her  
and stay until Sat. Evening at  
Mr. Spangue's - my boarding  
place. It is quite a pleasant  
place, and you will not be so  
tired from your journey as if you  
went all the way in one day.

You had better bring down a  
trunk or at least a basket  
full of bread & fixing - traps  
and articles. I did know some of the  
things I wanted, but my head is full of  
large & small cups and all  
sorts of corrections marks

Get them by flour as it is  
wanted. I am not sure but it  
is better than to buy wheat at  
present rates - Have what  
wheat we have for cash. Make ar-  
rangements for having the  
threshing done when Grant  
does his. Tell Eddy to be sure and  
not neglect the T & buccer.  
Henry was here today I went to the  
train with him, "Shipped in good  
order." When you come down  
take a hack directly to Mr Spray.  
It will probably be such to  
impossible for me to leave the  
office at that time. ~~Proceeding~~  
is then on hand. Will try. Here  
comes a lot of proof now  
bye
