Erie, Pa, Aug 24 1864

Stuffy, I was in great
haste when I recd your
letter this morning and at once
addressed \$3.00 to the amt I had
enclosed to you and mailed it.
I have bought 15 lbs of twine and
will send it up tomorrow. If more
is wanted they must let me know.
Any kind of a what with a
groove in it will do for a pulley.
Tell Edy to get as cheap
one as he can not larger
enough to change direction of
the force. I can however
enough - as I'll just go
home to bed -
