

Newberne N.C.  
July 25-1865

Dear Wifey: The mail leaves  
this morning and I will try  
and get a letter in to you.  
Have made the passage here  
safely and have just come  
on shore. Have been most  
horribly sea sick ever since  
I left New York and now  
am sea sick because I  
am ashore. I shall go to  
Kinston and thence to Raleigh  
to-morrow.

With Love  
& Affection  
A. W. Forsythe

I don't know as  
they will be in  
time again
