Mrs A W Soudge

I could not find Mr Soudge any where.

But I think if you had ~~not~~ ^{been} along he would not have been very hard to find. I am shure I tried my best to find him I left word at the Monongahela House that I wanted to see him But he has not made his appearance yet at Erie. I expect he has gone back Greensboro N.C. I wish you would let me know as soon as you can if he has not returned. I hope you are well & doing well
