

Send me
all the
books you
can put
in
Kearney & Pt. once
in a while.

Greensboro, N.C.
Oct. 8th 1866.

Mr. George, - Yours of the 30th
inst. dated at Pittsburg, came
to hand this morning. The
reason I have not written
often was on acct. of not
knowing where to find you.

I have written once, however,
sending to care of Hon. Chas
O'Neill, requesting him to for-
ward. In that I sent a list
of printing materials which
Jas. W. Albright of this place,
has for sale. As you may not
have recd. the letter, I'll send
the list again. -

New } Grover's Improved Jobber, Cost \$550
 } Hoe's Improved Paper Cutter
 } do. do. Proof Press.
 } Standing dry press & Boards.
 } No. 4 Washington Hand Press. -

These articles Mr. Albright says were brought since the surrender, and can be had at N.Y. Co. Co.

He & another man of this town want employment as printers when you open up. I cannot yet consent to take hold of this thing till I am more sure of its being on a sure footing.

As I have before intimated to you, I am making a little now, but I may get blown up soon. Wheeler is almost, at times, peeling the edge of the official axe. He won't do any thing in the way of supporting "My Policy" sure. That is fixed. Should we "go up", then I shall be inclined to take a part in fighting editorially, Andy Whinn

You need have no fear of the dockery's election, the dockery to mean, I don't think the man of way, we have no candidate for the Commission, I don't want any. Jonathan Harris is out for the Senate, in opposition to Peter Adams, Houston, W.R. Smith & Morehead, Jr. are for the Commission vs. the Howard movement. Harris goes for it. Dick declares in its favor so does Mr. Wheeler's Pet. Little. Old Frank is down against it, and goes us all fits.

Ingold pitches into you in almost every issue. I have none of his staff in hand or I would send some specimens of his editorials to you. He is lowering himself

week. - That is, if possible, -
You speak of associating
yourself with Bryant of the
Loyal Georgian, would
he come to Greensboro, or
would you go further
South? We must have the
paper here if possible.

Our poverty here is most in
the way of any thing. I have
not seen Carter, and do
not know how much has
been subscribed. I have
been very busy in office
duties. -

Keep me posted as to
your progress.

They are very anxious
here to have Wheeler &
White, the P.M., both removed,
that is, the disaffected ones.
Let it come, it will only
make us all better Repub-
licans. - Respectfully
W. Hodgins
