A. W. Sawyer Esq  
Dear Sir

I have  
yours of 16th & will  
attend to ~~your~~ part  
of your matter. The  
Supreme Court  
decision is the  
most sign of the  
times. Undoubtedly  
infrachment is  
the true remedy for  
our troubles, but  
I fear we lack  
the courage to do it.  
The radicals how  
ever have hope.  
I will send you

my bill & some  
documents. Pet  
itions, would or  
might do much  
good in behalf  
of the territorial  
policy, & we must  
ultimately come  
to it.

Very truly Yours  
Geo. M. Julian
