Sir:

Your letter of the 28th inst is received and it seems from your statement that Mr. Pettinfill obtained the money in the Pettinfill case and converted the same to his own use, and that the books of the firm show nothing in relation to the claims. Will you now please inform me if you place Pettinfill a promissory note for \$350, and if ~~that~~ that note has been furnished by Nomanaka Pettinfill says it has, and that you bound yourself to pay all demands against the firm. It appears that Mr. Pettinfill and Marie are the parties principally interested in this matter, and that this "Nomanaka" is a cheat. Please inform me if Nomanaka is now with Marie or

When he can be found, and do not
excite any suspicion for fear he may
escape. Also please forward me
the "Discharge" of *Winnaker*, or if you
have any objections to doing so, hold the
same in your possession.

Very Respectfully
