

Greenboro. N.C. July the 23rd (1868)
Hon. A. W. Sawyer

Sir I avail myself
of the present opportunity of telegraphing
you a few lines. Mr Sawyer I want
you if possible to use your influence
as to getting ^{me} a position somewhere out
so that I can make a living as I
was turned off from my work for
voting the republicans. I am
getting along in age and would like
very much to have a position that

I can make a living at

hoping to hear from
you soon in return.

Yours
humble servant
Aron Hunter Holton
