July 25. 1868

My Dear Judge -

I received your letter in regard to your friend, but ever since that time the Senate has met at 10. A. M. and with an intermission ("recess") of one and a half hours held until 12 at midnight. So I have not been able to get to the Dept. I will attend to it before we leave.

Very truly

Joseph de. Abbott

Hon. A. W. Sawyer.
