Judge Tourge

My dear Sir: I see from published  
Code for Government of Counties. That there  
should be fixed fees for Commissionary Clerks  
& should be an allowance made for legal  
advice for Court, & some officers designated  
to wait on County & preserve order. Our  
meetings are to be public. Any one  
may interrupt & treat with disrespect  
the Board, please think of this  
and do as you think best.  
Send us the Constitution of N.C.  
for County use

We are quiet. have good  
seasons. hope we will make good crop

Yours Truly
