Mr. A. M. Sawyer

Brooklyn, N. Y.

My dear Sir,

Your of 3rd Inst
is received. I have much regret to
hear that there is a doubt about
your being able to be at this place
on the 27th at a Grand Mass
meeting. You can do more good
by coming here and addressing
the people than any body else can.
You must reconsider your engage-
ments and come here - we have
announced to the people that
you will be here, and you
must come - there will be oceans
of people here on that day.
Let me hear from you again
by return of mail -

With my best wishes for
your health and happiness
I am very truly yours
