

Salisbury Dec 30 1868

My Dear Sir,

Under the new Code,  
I am troubled in many particulars  
and desire you to give me some  
instruction in the premises

When a charge of a widow  
is laid off by the Sheriff and  
no objection under threats, who  
completes the report & makes all  
the orders as to carrying it?

Has the Sheriff a right to  
carry the charge from Court house  
to the place of execution, each  
man to lay off a <sup>111</sup>Widow?

Can I as Clerk issue  
execution to another County  
without the case being  
filed in that County or if  
it be an order of sale does that  
make any difference?

In ordering advertisement in  
the papers for a term parties  
do I set the time for the parties  
to appear or how is it?

For the present I will  
enquire no further

It will be much obliged  
for an answer to the  
above

Yours truly  
A. B. Decca
