Friday 6<sup>11</sup> 1877

I send the enclosed which  
came to night. Eddie has been to  
school all day and seems well  
to night, though pretty tired. Mr Myers  
got the ale so we had it before dinner  
He says tell you he has sent for  
Pomeroy's book at your suggestion

Hope you have had a pleasant day  
It has been a delightful day here here  
the wind. ... God bless you Cora
