CHAUTAUQUA COUNTY HISTORICAL SOCIETY 2018

Greenboro N. C.

Nov. 6th 1878

My very dear wife:

The election is over and from present reports, it would seem that everything has gone against me by a heavy & decisive majority. I do not understand it nor attempt to account for it - Such is the fact -

Do not be cast down - I think that I feel in rather better health than I have ever done before since the canvass began -

I have no plan or thought for the future -

God bless you.

Albion
