My dear wife,

This is just about time for Peter to go to the mill and I have no time to write only just to say that I did not go down to Raleigh yesterday because the Lumpkin's came in and I had to stay and see that they got a little settled. I don't know when I shall get away but hope in a few days - Kiss Lodie many and many a time for Papa. Good bless you, darling, dearest and best - God's tenderest angels keep you is my prayer

Good bye
