Hon A to Tongas

Dear Sir

I received a few weeks ago the Analytical Index to your Digest of Cited Cases & I have carefully examined it in connection with the Digest of Cited Cases, & I find to be the very thing the profession have long needed.

My opinion is; that the work will enable any one through the Index in a moment to find a case, if any there be, in our Supreme Court Decisions on any point under investigation, & by reference to the cited case get a view at once of all the cases on the point in question. I think the Digest with its Index is remarkably accurate, & it will give great facility in the investigation of any point & effect a great saving of time in the search for authority.

Yrs. I shall be glad to have a copy. Yours very respectfully

as soon as possible
