 Dear Sir

It gives me great pleasure to be able to add my testimonial to the value of your "Cited Cases"

I had conceived a very favorable opinion from a cursory examination but thought it best before giving you my endorsement to give it the practical test of use in the preparation of my briefs -

This course has fully confirmed my crude opinion and I take pleasure in stating, that it is a highly useful book to the Profession anywhere and indispensable to the practitioner in our Courts both as a scientific digest and a labor-saving vade mecum and I trust that it will receive the degree of circulation that its merits demand

Truly yours  
 H. H. Bailey

Encum paper - all I could find - fully yours  
 B.
