CHICAGO, September 27<sup>th</sup> 1880.

Hon. A. G. Toussie,  
Eric Pa.,

Dear Sir:

Your letter of 24<sup>th</sup> inst.  
received, and answered by telegraph.

You have undoubtedly received  
Pres. Roger's letter ere this, in-  
forming you of details of meeting.

The people here are very anxious  
to hear you; and, it is because  
you are independent in thought and  
action that you are entitled to the  
greater consideration. Your words  
will have a marked effect not only  
upon the people of Chicago, but upon  
the whole North West.

A. and Brothers Club and the Union Veteran Club will escort the speakers. Everything will be on a grand scale. It is the first meeting of the campaign; and such a large gathering is expected that we are talking of an overflow meeting in another hall on the same evening.

Hon. Stewart L. Woodford will speak first, and as Pres. Rogers has written you will not

and fifteen minutes time, leaving  
you the remainder of the evening.

Prest. Rogers is out of the city.

We have been corresponding  
with several of the most promi-  
nent public speakers in the  
country, and it was undoubted-  
ly convenience in time which  
brought Gov. Woodford and your-  
self together. Hoping that our  
arrangements, made, will be satis-
