My dear Sir:

Your favor of Saturday was duly received with enclosed check of Mr. Dechert, for Three hundred dollars also Schedule or Recapitulation as to stockholders interests.

I sent receipt to Mr. Dechert, and enclosed a schedule to Mr. Tristram to append to the Trust Agreement & sign. also gave a quite full copy of our corporate action at last two meetings.

The entire list of papers (dred. Trust Transfer blank for stock. Schedule etc) are now I trust in hands of the T-^s for execution on Mr. G. O. T. was to leave to day for Colorado - I deemed it best to guardedly say as to our action on sale of coal lands - that we desired \$50. per acre, but it was agreed that our Trustees or directors could make a limited deduction. Mr. Warner writes me that Mr. Smith sold 60 acres nearly of his coal for \$45.⁰⁰ per acre.

The check for 300. I understood you
was to go entire to Mr. Foyie to
take care in connection with Mrs.
Mumme - so I send to Mr. Foyie.

I wish to thank you heartily
for the allotment in shares made
me. it is very satisfactory.

Was sorry to have missed you, at
your last call - you said in your note
Monday 1000 Am.

Would like to connect you on
some further details on your
return - I requested Mr. A. O. Fineman
to place me some stock out of W. B.
in Pittsburgh early at 1⁰⁰ per share.

Yours very sincerely

Aug. H. Moore.
Secy.
