Some money must
be raised at once to pay for work
Contracted on Quila. I had to give
Contractor Credit at Store in Hubby
and for \$50 in advance, and the
merchant has presented his bill,
Tobias writes me that he is out
of funds and will stop work
tomorrow. If no stock is sold
I would support an immediate
assessment on original stockholders
to raise \$4000 - No. Ten is low
now, and the season is advancing.
