Springfield. Mass

My dear Judge Tourgei,

Suppose, then, that
we consider the times of settlement
as the 15th of January, April etc.
Will that suit you? I make the
application (vide contract) on the first
of the quarter, you understand
on the 15th.

Please consider this the prescribed
"application."

I enclose a note from Mrs. A. S. J.
Whitney that may interest you. She is
so frank a critic that I am the more
gratified by her commendation. Please
return the note. Mr. Scribner wants it.

Truly yours,

Mary Virginia Terhune

May I ask you to refresh the memory
of J. H. Q. H. as to letting me see notices
(press) of "Judith?" I will return them
carefully.

Have you seen the enclosed humbug?
I have mislaid the accompanying
circular which I regret, I would rather
pay \$50⁰⁰ not to see newspaper stories,
especially if I were a political writer.
