Hamover 11/11.

Dec 13th/16

My Dear Sir:—

Do you remember having a copy of some verses of mine for publication first before the magazine "Our Continent" ceased publication? I had no other copy & would like to look over the rhymes to see if they ought to be overlooked or were worthy of preservation. Perhaps in your answer to my question do they exist? I shall have an ex parte reply to the above query.

Yours truly

J. Hardy.
