GEORGE L. LEWIS    ADELBERT MOOT.

Feb. 21 1887

Dear Mrs. Tinsler.

I hope the Judge's  
will and can send on some  
"copy" soon to New York, Howard  
and the printer are both at me  
and say they have had no  
copy in over two months, I  
think they must be in error  
but do not know, I have  
refrained from bringing it to  
your attention until they have  
become urgent because I know  
how busy and hard worked you and  
the Judge always are, Hoping to see you  
soon and with well wishes. Very truly, Adalbert Moot
