Judge A W Touge

Dear Judge

Your letter came when I was absent from home, or should have been answered sooner.

I have not been able to go up to the new town, "Casaday" near your land. since it was laid out. The projected short line R. R. from Emporia to Eldorado, has been finished. It is not yet finished, as far as Casaday. When the Spring opens, it is expected that the road will be built to this point, without further delay. Much is being done by our Real estate men to get up a boom the coming Spring. If I can obtain a purchaser for your land

will notify you promptly, as soon
as the R.R. is running through
I will go to Caseday.

Very respectfully
Alfred Weller
