Janesville, <sup>Wis</sup> March 2  
having taken quite an interest  
in Judge Tourgee's story of Buttons, Jim  
and then to have it stop so  
short it is quite a disappointment  
now you and Tourgee intend to  
finish the story in book form  
do you take your subscribers for  
idiots or D—ts do you think  
they are going to be humbugged  
in that way we have paid for  
so much of the story now you  
want we should pay for it again  
now don't fool yourselves the  
readers of the Inter Ocean

are not such brainless fools  
as you and old Purgess think.  
They are I have taken your paper  
5 years but depend on it a few  
more such humbugs and you  
will lose many subscribers in  
Rock County
