GEORGE L. LEWIS ADOLBERT MOOT.

Feb. 14 - 1887

Dear Judge,

Absence and business alone
prevented an earlier answer of your last letter.
I hope you are well. You do make too hard
I fear, being down Mrs. Tuzer and have a
little rest. Even a day or two will do much.

As for me I am going along.
Matthews is as full of fight as ever; and
his business is prospering in my opinion.
Let me again refer to the pleasure a few
moments with "The Veteran and his Pipe" give me
when the day's work is done. I have about
finished it. You know I must read slow-
May day! how charmingly you describe them.

But I must close in haste.

Truly yours,

Albert Moot

Remember me to your best wife and household.
