Dear Sir -

Your favor of the 23rd inst. is at hand. I have copied your drafts & letter to Fords, Howard & Hinckley and mail ^{in safe mail} with this letter to them. I am very glad to hear of your improved health and hope that with returning health may come unlimited prosperity. In the matter of this book I shall follow your suggestions and will only ask as you suggest. You will check me from time to time as there may be occasion. I am grabbing away at the oil business which seems to be as above as low as possible.

Yours very truly
H. H. Cumings
