Dear Sir:

Answering your esteemed favor of 25th inst.

The time has not come for an iron post; i.e., in view of all the light we have on the subject. You can send us a sample, however, and also state the ^{Pat. office} number of patents you already have, and as we will look into the matter and answer definitely as we can.

Yours truly,

Washburn & Moen Mfg. Co.,

Chas. F. Washburn, V.P.
