Judge Albion W. Tourgee,
Mayville.

Dear Sir:

The Class of '87 in our school has requested me to correspond with you in regard to your giving them an address at the coming commencement exercises, which will take place, Friday evening, June 17, 1887.

The immediate purpose of the class is, to find out whether or not they can afford the luxury which they so much desire; and this, I can assure you, is the sentiment of the community; therefore

we can give you a crowded house
and we have a good Public Hall to
speak in, one that will accommodate
five hundred persons.

Will you please let me know
at your earliest convenience, if it
is possible for us to hope for your
presence on that occasion, and
what you will charge the class,
to give them a talk not to exceed
an hour in length.

Hoping to receive an encouraging
reply soon. I am yours very truly,

A. A. Taylor,

Prin Sherman N.S.
