Lewis & Moot,
Attorneys & Counselors,
Buffalo, N.Y.
GEORGE L. LEWIS. ADELBERT MOOT.

Apr 13 - 1887.

My dear Mrs Touque,

I am glad to hear the
Judge is leaving again & I suppose
you have forwarded the notes before this time
to the printer & if you wish I will
admonish him to hurry & I think it
should be printed at once & He has
been writing letters to me that he
would see, but I answered as best
I could and did not trouble for while
the Judge was sick I knew you had eyes,

My absence and business must
alone be my excuse for not acknowledging the
papers upon Logan and Beecher which I enjoyed
very much, and which were very fine & then shall
we see ^(plural or singular) you? With best wishes,
Yours truly, Adalbert Moot
