Attorneys & Counselors,
Buffalo, N.Y.
GEORGE L. LEWIS. ADELBERT MOOT.

April 25 - 1887

My dear Mrs. Touper

This morning I forward

you the postal of Howard; also
the proof he mentions. Please
keep and return the postal as I
have kept all the correspondence,
it may be useful in future judging
from their actions in the past. I
hope the health of the judge will
permit the speedy completion of the work
and that no more delays will occur.

Let me know of little delays you as
he did last Fall. Come and see us!

Very hastily yours

Adelbert Moot
