OF
THOMAS B. KEOGH,

Greensboro, N. C., Apr 27 1887.

Mrs A. W. Torrey

Dear Madam.

I have not received the Judge's book, and therefore have not been able to say anything about it.

I notice a paragraph going the rounds of the papers that the Judge's health is very poor and that he is confined to the house. I hope there is no truth in that. There is also a report current that he has decided to come back to North Carolina to live. While a great many Democratic papers shrivel at the report, there are thousands who would be delighted to see him come. Many changes are taking place here. Death is doing more than anything else to revolutionize Greensboro. Truly Yours
