GEORGE L. LEWIS. ADELBERT MOOT.

May 2 - 1887

Dear Judge Touger,

I send proof herewith;  
also the last letter of Howard &  
with reference to the Law School you will  
not be called upon to deliver the lectures  
until either the Fall, Winter, or Spring of  
'87, or '88, or '89, as the course is a two years  
course beginning next Autumn & it would be  
desirable that they be delivered during '87 or '88,  
however & you can deliver me at a time,  
during the year,  
or all one week, as you see fit, the  
position is to be permanent, unless you find  
yourself in bad company and wish to  
back out & How say you will come, we  
want to put you in our circular for  
"Legal Ethics" & we wish to issue it at  
once & either come to see me, or say we  
may put you in, & that if you succeed I am  
in much haste. Yours. Ad. Moot
