Dear Sir:- Your favor of 29th, inst. has been received and contents noted. The propositions and instructions contained in the same seem fair and I will accept and do all I can for you in my territory. I desire to say that I hope you will arrange your Western trip later as Nov. & Dec. are the months in which nearly all of our Teachers' Institutes are held and I expect to do some business for you with the best of these. However I have heretofore been able to fix the dates or many of them in the months of August and September as our Superintendents generally fix the time of their meeting very early, therefore, if I can do so this year it will not interfere much with your Western business. If you have any Lithographs and old advertising you had better furnish me with a supply and then I can use whatever the circumstances demand. Like you I deplore this Lithograph advertising but it has become the ruling custom and some places it seems to be an absolute requirement.

Yours Truly,

M. L. McQuown,
Manager, Etc.
