H. I. McQuown Esq.

My dear Sir:

Yours of the 4th rec'd.

I send you to-day all all the "Answers to a Western Manager that I have. I send you also some lithographs and Posters.

August and September, especially September would suit me exactly for lecture engagements. I need not go West until Dec. so I think you could use Nov. for your engagements. Anyway my rule is, first come first served, which you would do well to bear in mind.

Could you use some twenty or thirty of the Circulars of the Law Course at Chautauqua, which I sent you to any advantage to the Course, do you think? If so I would be glad to send you a bundle.

Sincerely yours,
