

Lewis & Moot,
Attorneys & Counselors,
Buffalo, N.Y.
GEORGE L. LEWIS ADELBERT MOOT.

May 9 - 1887,

Dear Tongue,

I answer as soon

as I can + we shall be delighted
to have your lecture as you propose,
and upon the topics you propose.
Some of our conservative members
however like "Legal Ethics" better
in the title without the proposed
addition for the first year. In
other words they want you to fill
the field in your own way and
adopt the familiar family name
"John", so to speak, until the boy is
acquainted. We hope to send you
a draft of the catalogue soon +

I enclose some things from
Howard. also forward his ms.
I agree with your views of Fields, also of the
Civil Code, and forward your letter +

Antily yours

Adelbert Moot
