BENJ. ST. JAMES FRY, Editor.

Hon. A. R. Longue  
- Dear Sir

I sent telegram because I feared that some mistake was made again. The letter with article came on Tuesday morning. If mailed at Mayville on time on Saturday to leave that day we ought to get it sometime on Monday.

St. Louis is 12 hours further west than Cincinnati or Chicago, which sometimes makes the difference of a day.

Yours ever  
Benj. St. James Fry.
