MEMORANDUM.

From FORDS, HOWARD, & HULBERT, Publishers,

27 Park Place, New York.

Dear Mr. Tupper

May 21/87

I take a Mem^o had sent I be-
lieved to write a letter, for nh. I must
not take time. The story came all right
& we will shortly put it in hand: but
of course it will not be advisable to
bring it out on the heels of "Butter's Men"
wh. has been announced. We will get
it ready and have it out in the fall
so as to give it a fair show. A
"Summer book" must be out in May for
a decent chance! My regards to the
Juke, when he gets back. Faithfully Yours J. H. Ford
