Dear Mr. Tourgee;

We enclose monthly statement of a/c, also details of Mansfield engagement. We trust you will be able to help us out pretty soon, as this is our dull season and we are very anxious to get all outstanding accounts before we close our books the first of next month. Perhaps you will not object to sending us the fee for Mansfield, as you can do this without difficulty, and it will be a great favor.

Yours truly,

Redpath Lye. Bureau.
