

"Esto quod esse videris."

"Cash Value of the  
Heroic!"

Alfred University.

June 17, 1887.

Hon. A. W. Tougee;

Dear Sir:

The Com.  
are of the opinion that their choice  
would lie between, "The Cash  
Value of the Heroic," and "What's  
the News"; but as they are un-  
acquainted with the subject  
matter in either, they would be  
pleased to have you indicate  
which you would prefer to deliver  
on this occasion, the lecture to  
take place during Commencement  
week. We would like to hear from  
you on this matter as soon as

possible that we may advertise  
it properly.

The circulars that you sent  
we have been distributed as  
you requested.

Yours truly,  
H. B. Shipple,  
Chair, Com.
