

Levy's Theological Seminary
Chester Pa, Aug. 13, '87

Hon. A.W. Toungue LL.D.

My dear Classmate,

The Associated Alumni
of R. determined last Commencement
to push for the Anderson
Alumni Fund of \$2500 or more.
The fund is to be used for Dr.
A's benefit after he resigns, and
for the University when he dies.

The project has languished
for years to the chagrin of
the Alumni and of Dr. A.
A new committee has been put
in charge.

May not \$1000 - be hoped

for from the class of '62?
Half that amount has been
subscribed by a member
of our class. Probably there
is no one of us who
would not wish doing what
he can in recognition of what
we all owe to the revered
Prof.

The money should be sent
to the Chairman of Com., M. H.
Bryce Esq, 25 Elmwood Building,
Rochester.

With cordial regards, I am
Yours fraternally
E. H. Johnson
