Dear Mr Judge

I send you today an
 enclosure of the former, from Albin
 Brockport Niagara

I enclose with for reproduction
 a column in Eagle City Union, I
 will receive by mail the
 Ladies own, only 10 in number

Tell Mrs Judge if she desires I
 can give her two of my four cop-
 ies,

I have by this evening mail a letter from Judge
 Nelson of Iowa, Mr L. J. F. in which
 he says "Judge Torrey's article is just such
 a one as I would expect from his pen. It
 presents a correct view of the subject in a
 thoughtful dispassionate manner, in good taste,
 in an attractive manner, and in beautiful
 style. It is just such an article as will
 secure sensible thinking people. It is calcu-
 lated to lead the mind to the voluntary
 adoption of the writers conclusions, with-
 out being in the least degree of-

known to any body, Its wide circulation
would make it very effective.

The acting on the cars has started
and will.

With kind regards to Mrs. J.
I remain with great respect

Yours faithfully
J. H. P.
