Meadell Aug 23 1887.

My dear Judge  
I was by yesterday's mail in M.  
Linn, and has been furnished with one  
little gratification.

I wish all you say, and have  
written Mrs. Linn accepting her and  
your invitation for Mansfield, in the  
near future.

In view of your suggestions it will  
be necessary to defer my visit  
a few days, but I may, I think  
be able to confer more satisfac-  
-torily. I am with you  
Believe me  
Believe me Leader of yesterday.

Meadell Evening Daily " "

" Morning Daily Republican " and the  
last of today, also. Please advise me of  
them in detail. Warmly & faithfully  
Peters,
